space

②

## Code -

code  
backticks

## Syntax Highlighting for Code -

''' name of language  
code  
'''  
3 backticks

## Tables -

(might not work with all plugins)  
(trailing signs not required)

not necessary to start with pipes (but recommended)

pipe sign

Heading	Heading	Heading
---	---	---
Data	Data	Data (trailing signs)

for table this line is required

minimum 3 dashes are required

First line will be displayed in bold as it is heading of table

Pipe signs, better to be one below another for better understanding

- Quotes : Makes text highlighted / look better
- > Text

## List Items -

this is syntax

(Ordered List)

1. <sup>space</sup> Heading

2. <sup>space</sup> Heading

3. <sup>space</sup> Heading

1. <sup>space</sup> Heading

(Even if wrong number is printed → will appear as correct number in order i.e. 4<sup>th</sup>)

## Bullet List -

(Unordered List)

Dash sign

— Text  
— Text  
— Text

Display

- text
- text
- text

this is syntax

## Spacing Syntax -

1. text

2. text

3. text

## Horizontal Line -

—  
3 dashes

or

\*\*\*

3 asterik signs
